

# Bowland Fell Runners Membership Application Form

Bowland Fell Runners was established in October 1993 to encourage runners of all abilities interested in fell running as a sport and who identify with the Forest of Bowland as an area to enjoy their running, whether it is for training and racing or simply for the fun of it! We are generally a free and easy establishment with no committee and very little bureaucracy, hence the low yearly subscription! The club is affiliated to England Athletics for the purposes of insurance but individual affiliation can be arranged if required (at an extra cost, contact the secretary for details). Club subscriptions (January to December) are £5 (join after October and get the next year free!) Membership subscriptions cover general administration and website costs.....we are a none-profit organisation and often donate to our chosen charity the 'Bowland Pennine Mountain Rescue'.

Club vests are currently £18 (that's what we pay for them, again there is no profit!). Cheques should be made out to Bowland FR.

Please print and fill in the details below then post the whole form to:
